

MASTER LAYOUT PLAN

- Walking distance to proposed Garudacharpalya metro station*
- Nestled among tranquil surroundings, close to all of life's conveniences
- Project offers upto 270° panoramic views of the city
- 80% open spaces with existing topography and rocks that have been conserved on site

- Spread across 7.86-acres
- 2 iconic towers with G+17 floors each and 514 apartments
- Project designed by Woods Bagot
- Landscape designed by Oikos Landscape Architecture and Ecological Planning

DESIGNED WITH THOUGHT & EXCELLENCE

CONTEMPORARY ELEVATION DESIGN

The towers are purposely designed in a Y shape to ensure a great view and privacy for residents
